

TMI has done all the research for you by accumulating tariff information into one easy-to-use state-tabbed spreadsheet.

Institutional Rates Summary

TMI's **Institutional Rates Summary** details inmate rate caps by state and provides current Bell and AT&T rates and service charges applicable to inmate service. TMI has done all the work for you by accumulating tariff information into one easy-to-use state-tabbed spreadsheet.

Along with the **Institutional Rates Summary**, TMI also offers PDF copies of the Bell Operating Company and AT&T tariff pages listing the local, intraLATA, and interLATA collect usage rates and service charges or inmate specific rates, i.e. AT&T's Prison Collect with Controls Service, for each state.

***Institutional Rates Summary** updates are available monthly.*
